

Southface Parking for Class Participants

Thank you for choosing to take a class with Southface! To help you to have an enjoyable educational experience, we ask that you arrive 20-30 minutes before class start time. This will allow you to settle in and will ensure that we can start on time.

Because Southface shares parking with the Atlanta Civic Center, we ask that you park according to the directions shown in the map below.

Because some classes start early in the morning and there is limited Southface staff on hand, we will not open the building doors until 30 minutes before class start time. If you arrive to our facility more than 30 minutes before the scheduled start time, please be patient as we prepare the facility for your training.

If your class begins before 9 a.m., please enter the building via the south entrance facing the Civic Center. For classes starting after 9 a.m. you may enter through the reception area at the north entrance (facing onto Pine Street).

There are occasions when the Civic Center blocks entrances and charges for parking. If you are attending a class at Southface and this occurs, please notify

the parking attendant that you will be at Southface. You should also print the Southface parking pass below and place it on the driver's side dashboard.

Thank you for your understanding. We look forward to seeing you at a class soon!
