Southface announces gala's new venue.

**SOUTHFACE ANNOUNCES THE 10TH ANNUAL VISIONARY DINNER
ON MARCH 12, 2008 AT THE GEORGIA AQUARIUM**

ATLANTA (December 13, 2007) – Environmental nonprofit, Southface Energy Institute today announced the 10th annual Visionary Dinner will take place at the world-renowned Georgia Aquarium on March 12, 2008. The gala hosted by Southface and the Metro Atlanta Chamber of Commerce kicks off the two-day, Greenprints green-building conference and trade show on March 13-14, 2008 at the Westin Hotel. The Visionary Dinner celebrates Southface's mission of sustainable development, green building and energy and resource conservation, bringing together Atlanta's business and environmental leaders.

The Visionary Dinner features a keynote address by a well-known visionary speaker, as well as the presentation of the Argon Award for Success in Sustainability. A five-course, organic meal donated by Whole Foods and created by top area chefs, paired with sustainably produced wines, is the centerpiece of the evening. Ticket prices for individuals are \$165, with a VIP reception for an additional \$45 and corporate tables available for \$1,850. Sponsors include Whole Foods, Fetzer and Bonterra wineries and the Georgia Aquarium. Sponsorships are available ranging from \$25,000 to \$2,500. Contact Beth Haynes, Southface Director of Development at 404/604-3619 for more information.

For more information on Greenprints or the Visionary Dinner, please visit www.greenprints.org or call Southface at 404/604-3596.

About Southface

Since 1978, Southface has encouraged responsible solutions for environmental living. Driven by the Southeast's growing need to save energy and water and preserve our natural resources, Southface has successfully fostered unique partnerships with government, business and nonprofit organizations. Southface programs and publications reach design and construction professionals, homeowners, government officials and others to promote sustainable homes, workplaces and communities through education, research, advocacy and technical assistance. For more information, visit Southface at www.southface.org.
