

## Continuing Education

Southface is a registered provider with the following continuing education programs:

*American Institute of Architect  
Certified Professional Home Builder*

Participants in our training programs may be eligible for CEUs from the following organizations:

*International Code Council\*  
National Council of Examiners for  
Engineering & Surveying*

The above organizations have asked that Greenprints participants follow their organization's certification guidelines by submitting the following:

1. Certificate or letter of attendance from Provider
2. Contact Information of Provider
3. Name of the class and hours awarded
4. Date of the class

\*Based on option 1 of ICC's Continuing Education and Professional Development Activities for Certification Renewal

## GREENPRINTS 2007

*Sustainable Communities by Design*

*March 22 & 23, 2007 - Westin Peachtree Plaza, Atlanta, Georgia*
