About Southface:

Southface is an Atlanta-based nonprofit whose purpose is to have a positive influence on the environment and the communities it serves by making buildings better. Since 1978, Southface has achieved remarkable impact in policy, training, green building, and energy, water, and carbon savings.

About Visionary Awards:

For over 25 years, the Visionary Awards has gathered leading organizations and visionary individuals to celebrate the sustainability achievements of global leaders such as Ray C. Anderson, Shirley Franklin, and Ambassador Andrew Young while raising vital funds to support Southface's work.
